- Lina:** Hey Steve! How are you?
- Steve:** I'm doing well, Lina. How about you?
- Lina:** I'm great. I have a party to go to later. I love parties!
- Steve:** I like parties, too! But I don't like big parties with a lot of music.
- Lina:** Really? I love music. And I love big parties.
- Steve:** I like music, too. But I don't like it at big parties. It's very loud. (pause) So, what are you bringing to the party?
- Lina:** Chocolate cake. Do you like chocolate cake?
- Steve:** I don't like cake that much.
- Lina:** Wow. I'm surprised. Do you like ice cream?
- Steve:** I *love* ice cream. I eat it almost every day. Do you like ice cream?
- Lina:** I do. I like all foods.
- Steve:** I think we're a bit different.
- Lina:** Maybe. Do you like languages?
- Steve:** I do. And I can speak English, German, and Chinese.
- Lina:** Oh wow. I can only speak English and Spanish. But I really want to learn Chinese.
- Steve:** Maybe I can teach you!
