

## UNIT 16 REVIEW TEST LISTENING SCRIPT

- Anna:** May? May is that you?
- May:** Anna! Wow... great to see you!
- Anna:** Yeah, long time no see. How are you?
- May:** Good, good, what are you doing here?
- Anna:** I'm shopping.
- May:** Oh, me too! Are you living near here now?
- Anna:** Yes, I'm living in Kingston with my husband Lucas and our son Tyler. That's Tyler over there. He's wearing a red sweater and looking at the toys.
- May:** Oh he's so adorable! So you're married and living in Kingston. Great! I'm in Kingston, too.
- Anna:** Wow, good! Lucas travels a lot for his job, he's an engineer. Right now he's working in Taiwan. Anyway how about you?
- May:** Well, I'm not married. I'm just so busy with work.
- Anna:** Are you still working at the Big Book Company?
- May:** No, I'm not working there now. I have my own company now. So at the moment I'm working on three projects at the same time! It's crazy.
- Anna:** It sounds interesting though. Anyway, you're not living far away from me now. So come over for a coffee sometime and tell me all about your work.
- May:** That would be lovely. Here is my card, email me your address.
- Anna:** Okay, I will.
