

UNIT 22 REVIEW TEST LISTENING SCRIPT

- Lily:** Hi Sergio! Nice green jacket! I like the style! Is it new?
- Sergio:** Oh, this jacket? Yes it's new. It's from a store in the mall, but I want a new one.
- Lily:** Why?
- Sergio:** I like how it fits and the style, but I don't like the color. I want a blue one.
- Lily:** Oh, I know a good online store. My whole family uses it. My mom loves it.
- Sergio:** What is good about it?
- Lily:** They have good prices. They sell clothes, shoes, and hats. They don't sell any bags though. My shoes are from the online store.
- Sergio:** I like your shoes! My friend has the same ones. Do they have white ones? I want to buy them for my sister.
- Lily:** I think they do! They also have a lot of jackets.
- Sergio:** Can you give me the website?
