

UNIT 23 REVIEW TEST LISTENING SCRIPT

- Jason:** Hi Andrea!
- Andrea:** Hi Jason. How are things?
- Jason:** Pretty good. Work is really busy. But I like it. How about you?
- Andrea:** I'm busy, too. It's my husband, Paul's birthday. It's next week. I want to get him a gift.
- Jason:** So, what do you want to get for him?
- Andrea:** I don't know. Can you help me?
- Jason:** Sure, but I don't know him very well.
- Andrea:** Yea, but you are alike.
- Jason:** OK. Tell me about him.
- Andrea:** Well, Paul really likes rock music and basketball.
- Jason:** Oh, then we *are* alike. You can get him tickets to the PJ Harvey concert next weekend. They still have tickets.
- Andrea:** That's a great idea! I think that Paul really likes her.
- Jason:** Or you can get him basketball tickets. The New York Knicks have a lot of games in the next few weeks.
- Andrea:** That's a good idea, too. But I don't like basketball. So, I want to get PJ Harvey tickets.
- Jason:** But the gift is *for* your husband, right?
- Andrea:** Yes. But I want to get him two tickets. He can take me with the extra ticket! We will see PJ Harvey together!
- Jason:** Or he can take me.
- Andrea:** But you don't know him.
- Jason:** I know that he likes PJ Harvey and basketball. We'll have a lot to talk about!
