

UNIT 28 REVIEW TEST LISTENING SCRIPT

- Jenni:** Hey Andrew, how was your trip to Hawaii?
- Andrew:** Hey Jenni. It was great! Thanks for asking. I saw so many wonderful things.
- Jenni:** Cool. First, which islands did you go to?
- Andrew:** I flew to Oahu, but I didn't stay there very long. I got right on another plane and went to Maui.
- Jenni:** Was it a long flight?
- Andrew:** From Oahu to Maui? No. It was only 40 minutes. The flight from Vancouver was a lot longer. It was six hours.
- Jenni:** That's not bad. And you stayed in Hawaii for eight days, right?
- Andrew:** Yep.
- Jenni:** Anyway, tell me about Maui.
- Andrew:** First, there are a lot of amazing beaches on Maui. I went to a few. There are also a lot of great restaurants. But the restaurants were expensive, so I didn't go to many, just one. I stayed at a friend's house, and we cooked together.
- Jenni:** That's cool. Did you go to any other islands?
- Andrew:** Yea, I also went to Big Island.
- Jenni:** Ohh, I heard Big Island is beautiful.
- Andrew:** It certainly was. The beaches weren't good, but there's a volcano on the island, and I saw hot lava falling into the sea. It was so cool, there--
- Jenni:** Wait. They let you go very close to the volcano?
- Andrew:** Yea, there was a volcano tour company there. They took me and some other people on a boat, and we got very close to the lava falling in the ocean.
- Jenni:** That's awesome! What else did you see?

Andrew: Well, there's something else interesting about Big Island. There's snow on some of its mountains.

Jenni: Huh? There's snow in Hawaii?

Andrew: Yea, you can even go skiing there sometimes.

Jenni: Wow, sounds like great place to visit.
