

FINAL TEST LISTENING SCRIPT

PART 9

- Steve:** Hey Jessica and Tim. So how was Ecuador?
- Jessica:** Great.
- Steve:** How many days were you away?
- Jessica:** Ten. We were in Guayaquil for the first part of the trip, and we were on the Galápagos Islands for the second part.
- Mark:** The Galápagos Islands? That sounds exciting. How much time did you spend there?
- Tim:** Not much. Only four days. But it was fantastic. We took hundreds of photos of the plants and animals. We slept and ate on a boat.
- Mark:** Really? How many people were on the boat?
- Jessica:** Twelve.
- Steve:** How much did the trip cost?
- Jessica:** Just a little. Tim won the trip. We only paid for our food.
- Mark:** Was the flight free, too?
- Jessica:** Yes, it was.
- Mark:** Lucky you! I love to travel.
- Tim:** I agree. Nothing is better than traveling.

PART 10

- Josh:** Amanda, what happened?
- Amanda:** Hi Josh. My brother, Rob, had a car accident last night.
- Josh:** How is he?

Amanda: He's fine, but the car isn't.

Josh: What happened to the car?

Amanda: There's a big dent in the bumper, and the headlight is broken.

Josh: How did the accident happen?

Amanda: I guess the road was slippery. The car hit a sign.

Josh: That's too bad.

Amanda: The thing is, Rob took our dad's car because he didn't want to walk to the supermarket in the rain. But he didn't ask our dad first.

Josh: Uh-oh.

Amanda: Rob is at Charlie's Auto Repair Shop now. The mechanic replaced the headlight and fixed the dent. He also replaced a tire and fixed some scratches on the car. Now the mechanic wants \$1,000.

Josh: A thousand dollars?

Amanda: Yep. And I don't know how Rob is going to get that much money.
