

## UNIT 6 REVIEW TEST LISTENING SCRIPT

**Melissa:** Hey Luca, how is university life so far?

**Luca:** Hello Professor, it's good thanks. My new apartment is great, it's next to the library and across from the park. I can study and exercise every day! But right now it's too hot for running outside.

**Melissa:** Then go to the gym, like me.

**Luca:** There's a gym? Where is it?

**Melissa:** Yes, it's a great gym. It's on the corner of Second Avenue and West Street.

**Luca:** Ah, near the hospital?

**Melissa:** Yes, it's next to the hospital.

**Luca:** Okay, where is the gym office?

**Melissa:** It is on the second floor of the building. Go to the information desk between the front door and the fire exit.

**Luca:** Got it! Thank you.

**Melissa:** No problem. See you later, maybe at the gym!
