

UNIT 9 REVIEW TEST LISTENING SCRIPT

'Knock...knock'

Ms. Stone: Please come in!

Mai: Hello, Ms. Stone.

Ms. Stone: Oh, hi, Mai! Can I help you?

Mai: Yes, please. Where is the computer lab?

Ms. Stone: It's not in this building. It's in the next building.

Mai: Oh. How do I get there?

Ms. Stone: Walk out this door and turn right.

Mai: OK. And then?

Ms. Stone: Go down the hall and past the main office.

Mai: The main office is across from the cafeteria, right? At the end of the hall?

Ms. Stone: Yes, that's right. Then go out the main door, turn left and walk down the road to building number 2.

Mai: I understand. What floor is the lab on?

Ms. Stone: It is on the second floor. Don't go straight there. You need a key.

Mai: Oh, do I? Where is the key?

Ms. Stone: Ask the woman at the door. She has the keys.

Mai: OK, thank you very much.

Ms. Stone: You're welcome.
