

UNIT 11 REVIEW TEST LISTENING SCRIPT

- Lynn:** Vince, are there any malls near here?
- Vince:** Well, Lynn, there aren't any malls here in Redwood City, but there are malls nearby in Stanford and San Mateo.
- Lynn:** Which do you like?
- Vince:** I like both! Stanford Mall is nice, quiet, and big, but there aren't any cheap stores there.
- Lynn:** I see. I want to go shop at some cheap clothing stores. Are there any good restaurants in San Mateo Mall?
- Vince:** Yes, there are a lot of American and Mexican restaurants.
- Lynn:** That doesn't sound so good. Are there any other types of restaurants?
- Vince:** Yes, there's a Korean tofu restaurant on the first floor and a Chinese restaurant on the second floor.
- Lynn:** Oh great! Let's go to the tofu restaurant on the first floor then. Are there any bookstores?
- Vince:** There isn't a bookstore in the mall, but there is a bookstore next to the mall.
- Lynn:** Okay, let's go to San Mateo Mall then!
