

UNIT 12 REVIEW TEST LISTENING SCRIPT

Allan: Hi, Cecilia. How are you?

Cecilia: Hi, Allan! I'm great!

Allan: Do you still work at the bank?

Cecilia: Oh, I don't work anymore. My husband doesn't work either.

Allan: You and your husband must have a lot of free time now. Is that him over there?

Cecilia: Yes, that's him. His name is Ben. He's next to our sons Christopher and Jonathan.

Allan: What do they do?

Cecilia: My younger son, Jonathan, is a teacher. My older son is Christopher. His passion is drawing. He's an artist.

Allan: Do you and Ben still live in Mountain View?

Cecilia: Yes, we do! Are you still in Atherton?

Allan: No, we have a house in Belmont now. Do your sons live with you?

Cecilia: Oh, my younger son also lives in Belmont! He rents an apartment with his wife. Christopher lives in our house.

Allan: How interesting! You know, home prices are so crazy these days!
