

## UNIT 18 REVIEW TEST LISTENING SCRIPT

- Carrie:** Manuel, what's the best place you have traveled to?
- Manuel:** That's a good question, Carrie. A few years ago, I lived in Italy for the summer.
- Carrie:** I traveled in Europe last winter, but I didn't visit Italy. What did you do there?
- Manuel:** I worked on a farm. I helped the farmers pick vegetables to sell at the market.
- Carrie:** That sounds like hard work. Did you have any free time?
- Manuel:** Sure. I rented a car every weekend and drove to different cities.
- Carrie:** Was there any city you didn't like?
- Manuel:** All the cities were interesting, but I didn't enjoy the hot weather in Rome. I missed the cool weather on the farm.
- Carrie:** Did you learn some Italian?
- Manuel:** I couldn't learn the language in one summer. You need more time. I studied, but I didn't learn very much.
- Carrie:** You should go back someday.
- Manuel:** I planned to return last year, but I canceled my trip because my mother was sick.
- Carrie:** My friend moved to Milan two months ago for a new job. She lives in a big apartment. Maybe you can stay with her to save money.
- Manuel:** Maybe I'll just move there, too!
