- Lauren:** Steaks? At a campsite? You don't think any bears or big animals will smell it?
- Gary:** Well, some smaller animals might smell it. But there aren't any bears in the south part of the park. Only in the north end of the park. The park is huge, so we probably won't have any problems.
- Lauren:** I hope not. Anyway, what should we eat for dinner tonight?
- Gary:** How about we...
