

## UNIT 27 REVIEW TEST LISTENING SCRIPT

- Waiter:** Do you have any questions about the dessert menu?
- Customer:** Yes. How many lemons are in the lemon cake?
- Waiter:** A lot. It's one of the main ingredients.
- Customer:** Well, I don't like lemons. How many cookies are there in one order?
- Waiter:** About five. You can also order a little ice cream on the side.
- Customer:** How much more does that cost?
- Waiter:** Not much. It's only a dollar more.
- Customer:** OK, and do you still make that delicious cheesecake? It's not on the menu.
- Waiter:** No, sorry. We no longer sell cheesecake.
- Customer:** I see Boston cream pie on the menu. Is there much chocolate sauce on that? And how is the apple pie?
- Waiter:** Yes, there's a lot of chocolate sauce on top of the Boston cream pie. Apples are in season now, so the apple pie is excellent.
- Customer:** I think I'm ready to order. I'd like a piece of apple pie with a little vanilla ice cream on the side. Oh, and can you put an order of cookies on the plate, too?
- Waiter:** Of course. Would you like a cup of coffee to go with your dessert?
- Customer:** Yes, with a small glass of milk on the side, please.
