

UNIT 28 REVIEW TEST LISTENING SCRIPT

Connie: Hi, I'm Connie. I'm thinking of buying the house next to yours. Can I ask you a couple of questions?

Olga: Hi. I'm Olga. Sure, I'd be happy to answer some questions.

Connie: Is this a nice neighborhood to live in?

Olga: Well, it has a few problems, but it's a pretty good place to live. There's a grocery store nearby, and a big park with enough picnic tables for everyone.

Connie: You said the that neighborhood has a few problems.

Olga: Yes, we're close to the airport. Sometimes there's too much noise from the airplanes. And there aren't enough sidewalks in the neighborhood, so if you want to walk, you have to walk on the road. It can be dangerous because there are cars on the road. Sometimes, people on bikes use the road, too.

Connie: Is there anything else you don't like?

Olga: The houses are too close together. You can see your neighbor eating dinner if the curtains are open. Your neighbor can see into your house, too.

Connie: Thanks, Olga. You've given me enough information to help me decide what to do.
