

UNIT 30 REVIEW TEST LISTENING SCRIPT

- Mr. Anderson:** Hi, Welcome to the Music Academy. Can I help you?
- Cassie:** Yes. My name is Cassie. I want to know how I can apply to the school.
- Mr. Anderson:** Of course. First of all, what instrument do you play? Flute? Guitar?
- Cassie:** I play the piano. Do I have to play for you?
- Mr. Anderson:** Yes, you have to come for an audition. You should prepare one piece of music.
- Cassie:** Can I bring a friend to play with me? He plays the violin.
- Mr. Anderson:** No, you must play alone. You can bring a parent or friend for support though.
- Cassie:** I also have recordings. I played in a few concerts!
- Mr. Anderson:** That's great. But we just want to hear you play live for us.
- Cassie:** Great. What else should I bring?
- Mr. Anderson:** You must bring a record of your grades. We only accept students with good grades. We'll send you a letter with your results after the audition. It will also tell you how to pay. Students have to pay some money to keep their spot.
- Cassie:** Do I have to choose classes then too?
- Mr. Anderson:** In your first year, you can't choose your classes, actually. All first year students have the same courses.
