

UNIT 4 REVIEW TEST LISTENING SCRIPT

- John:** Hi, Anna. That is a nice photograph.
- Anna:** Yea, it's a picture of my mom and dad.
- John:** Where are they in the photo?
- Anna:** The two of them are in Los Angeles.
- John:** Nice. Are they from Los Angeles?
- Anna:** Not really. My father was born in Los Angeles, but he only lived there for three years. Then his family lived in Chicago. My mother was born in Oakland. It's near San Francisco.
- John:** I see. Who took the picture?
- Anna:** It was my grandmother, I think.
- John:** She is an excellent photographer. Where does she live?
- Anna:** She lived in Los Angeles and Chicago, but she died about ten years ago. She took this picture a long time ago.
- John:** Yea, your parents are very young in the picture. You also take pictures, right Anna?
- Anna:** I do take pictures. I love taking pictures when I travel all over the United States. Do you want to see some? I have a lot of my photographs on my phone.
- John:** Sure! Wow, this one is beautiful. The water and bridge in the photo are striking. Where is it?
- Anna:** It's San Francisco... Not too far from where my mother was born.
