PART 2

Use the correct gerund or infinitive form of the verbs in parentheses to complete the e-mail.

Hi Alice,

Peter and I arrived at the resort three days ago, and we already regret **(1)** _____ **(come)** here.

Wednesday, we wanted **(2)** _____ **(go)** swimming, but it rained all day. Thursday, it was sunny, but the manager of the hotel told us to avoid **(3)** _____ **(swim)** in the ocean because it was too rough.

Then we decided **(4)** _____ **(take)** a nap, but the people in the next room were arguing. We asked them to keep the noise down, but they kept on **(5)** _____ **(argue)**. That night we asked the maitre d' to recommend a restaurant. He said, "Go down that road and then turn left. It's a short walk."

We walked and walked, but we didn't see the restaurant. We continued **(6)** _____ **(walk)** for about 15 minutes, and we finally found it. We were really hungry when we got there. We hoped **(7)** _____ **(eat)** crab, but the waiter said they didn't have any crab left. We finally had steak and went home.

Today it is warm, and the ocean is calm. We're planning **(8)** _____ **(lie)** on the beach and go sunbathing. After that, we're thinking about **(9)** _____ **(take)** a tour of the island. Peter enjoys **(10)** _____ **(see)** the sights, so I think we will have a good time.
