Subject: dinner party

Hi Malcolm,

I'm excited that you can come to our house for the dinner party this weekend. I know that your wife has a special diet because of her allergies, so I have a couple of questions. First, my wife and I are planning to make fish. Can I make that? Or is she vegetarian? Also, can I serve a dessert with dairy products? I have a wonderful recipe for a cheesecake and I'd love to make it.

Let me know.

Anders

Re: dinner party

Hey Anders,

I can't wait for your dinner party! Thanks for asking about my wife. She's not vegan so she can eat the cake—and she loves cheesecake! But she is a vegetarian, so she can't eat your fish. Sorry about that.

Anyway, can I bring something to the party? I'd hate to come without any drinks or something vegetarian. Looking forward to seeing you.
