Hello,

My name is Ji-Yeon. I am a student in your conversation class. I am very happy to study at the International English Language Institute. It is a big language school in Vancouver. I have classes in reading, writing, and grammar. English is fun but speaking is difficult because I am shy.

Many people think I am from Seoul. But I'm not. I'm from Busan. It is a big city in South Korea. It is very hot and rainy in Korea right now because it is summer. I will go back to Korea in the fall when the weather is nice and cool! Where are you from? Is your hometown a big city like mine?

My apartment isn't near the language school, and my bus is always late. So I am often late to class. Where is your house? Is it near the language school? Do you like our teacher? I think he is kind and helpful so studying is fun and exciting.

See you tomorrow!
