READING**PART 3****Read the article. Then choose the correct answers.**

Are you looking for a place to travel to for vacation? Look no further than Bruges, Belgium. Bruges is a fantastic place to visit in northwest Europe. The city has an interesting history and some beautiful sights.

Bruges has many beautiful, old buildings and churches. Canals—rivers that are made by people—are all around the city. Over these canals, you can see many buildings from the 1500s and 1600s—the city still looks like a place from 400 years ago. Bruges is beautiful and the perfect place for taking pictures.

The climate in Bruges is the same as other places in north Europe. It is cool but dry in the summer, and in the winter, it can become quite windy and cold. There is often a lot of snow in the winter as well.

Most tourists spend one or two days in the city. They cross bridges over the canals and walk into and out of museums and churches. You cannot drive a car in the old part of the city. So if you decide to visit Bruges, make sure that you bring comfortable walking shoes.

- 1 According to the article, which is true about Bruges?
 - A Bruges is a European city.
 - B People cannot take photos there.
 - C There are many modern buildings.
