

UNIT 15 REVIEW TEST LISTENING SCRIPT

- Jackie:** Hello?
- Gabe:** Hi, honey. What are you up to?
- Jackie:** I'm checking my email. We got a message from our landlord, but I haven't read it yet.
- Gabe:** Oh, really? Can you open it now?
- Jackie:** Yeah, hold on a minute...OK. It says, "Hi, Gabe and Jackie, I'm going out of town next week. Could you water the flowers in front of the apartment building? I'll take \$50 off your rent for the month. Would you please let me know if you can as soon as possible? Thanks!" Do you want to do it?
- Gabe:** Sure. It won't be much work. Would you email him back?
- Jackie:** No problem.
- Gabe:** Great. Listen, I'm about ready to leave the office. Is there anything you need me to get on the way home?
- Jackie:** Yes, can you buy some milk and cheese, please?
- Gabe:** Sure. Do you need anything else from the grocery store?
- Jackie:** No, but would you mind stopping by the bank to get some cash?
- Gabe:** Not at all. Anything else?
- Jackie:** Just one more thing. Can you please pick up the dry cleaning? I have a few suits I'll need next week.
- Gabe:** I'm sorry, I can't. I don't have the ticket with me. They won't let me pick it up without the ticket.
- Jackie:** Oh well. See you in a little bit.
