

UNIT 27 REVIEW TEST LISTENING SCRIPT

- Jeremy:** Hey Bryony!! Ehhh... what's wrong?
- Bryony:** I'm so angry right now. I just gave another awful presentation.
- Jeremy:** Oh, that's unfortunate. What happened?
- Bryony:** My boss just seemed angry after the meeting. I prepared a lot for the presentation, but I'm just not good at public speaking. I'm kinda worried.
- Jeremy:** Don't let yourself be so upset. Who knows, the boss might be angry about something else.
- Bryony:** I don't know. We looked at each other right after the meeting was over, and he didn't seem happy with me.
- Jeremy:** You're thinking about it too much. Try to cheer yourself up. Think positively. Actually, maybe I can help. Guess what?
- Bryony:** What?
- Jeremy:** I've got two tickets to the ballet tonight. I know you love ballet. Wanna join me?
- Bryony:** I'm not in the mood. You should go by yourself.
- Jeremy:** Oh come on! It'll be fun!
- Bryony:** I don't know. Why don't you ask Kristen. She likes you, you know.
- Jeremy:** I actually already did, but she hurt herself playing some kind of sport last night. She had to cancel on me today.
- Bryony:** Ha! So I'm your second choice.
- Jeremy:** Ehhh, you are the best choice now. And now you seem to be a little happier, too.
- Bryony:** Ha, yea, I'll go. But only because I feel bad for you.
