

UNIT 7 REVIEW TEST LISTENING SCRIPT

Career Counselor: Good morning, Anna. How can I help you? Why did you make an appointment with Career Counseling today?

Anna: I'd like to talk about my goals, and the best way to achieve them.

Career Counselor: What is your most important goal?

Anna: I want to find a job after graduation.

Career Counselor: Why do you want to achieve this goal?

Anna: As a college student, I don't have a lot of money. When I get a job, I'll have more money. When I have enough money, I'll buy a used car. I'll feel happier when I'm employed. I'll also learn new skills while I work.

Career Counselor: Those are all good reasons. What is your action plan? What steps will you take to reach your goal?

Anna: Every morning when I get up, I'll check online for employment ads. When I talk to my friends, I'll ask them if they know of any jobs. I'll download information about resume writing before I write one. While I am trying to find a job, I'll improve my computer skills.

Career Counselor: What are the steps you will take right away?

Anna: Before I do anything else, I'll write a list of people to contact for help. As soon as I contact all the people on my list, I'll work on fixing up my resume.

Career Counselor: It sounds like you're on the right path. Let's talk again before you graduate. Come and see me in a couple of weeks, OK?
