READING**PART 3****Read the email from Tim to his brother in New York. Then choose the correct answers.**

Hey, Steven!

I love studying abroad here in beautiful São Paulo! I know you are interested in hearing all about it, so let me tell you a little bit more:

First, the weather is so nice. I'm sitting outside in shorts and a T-shirt, and drinking a cold drink. I'm sure you're wearing a heavy coat and preparing for more snow this winter in New York.

Second, the people here are so friendly. Rodrigo, a friend in one of my business classes, invited me over to his house a few weeks ago. He and his friends speak English pretty well, but they said that because I'm in Brazil, I should try to speak Portuguese. So, we ate and talked all night in Portuguese—it was excellent! I think they really like me because they often send me text messages and invitations to come over for dinner. I'm living here and studying with a family!

Last, there is so much live music to see here. Every weekend Rodrigo and I see at least one show in Vila Madalena. He is sitting next to me right now and looking for shows to see tonight.

That's it for now. I'll write again soon.
