

Introduction: About the Teacher Resources

The teacher resources for the fifth edition of *Focus on Grammar* are available for viewing and downloading on **www.MyEnglishLab.com**. The access code you have received will allow you to access all the resources that are available.

The Teacher's Resource folder includes:

- **General Teaching Notes** that provide general suggestions for teaching and assessing the activities in the Student Book.
- **Unit Teaching Notes** that provide some additional support in teaching some of the sections of the Student Book units. These notes do not cover every single activity in the Student Book. Rather, they provide some additional support in teaching the Reading and the Grammar Presentation sections.
- **Strategies for Teaching Grammar** that provide a quick reference for some of the most common and useful grammar teaching techniques.
- **Frequently Asked Questions** answer some of the most common issues that teachers encounter.
- The **Student Book Audioscript** that includes scripts for the listening exercises in the Student Book.
- The **Student Book Answer Key** that includes answers or suggested answers for the exercises in the Student Book.
- The **GSE mapping documents** that lists all the learning outcomes included in the Student Book.
- **Printable Assessments** that can be downloaded as PDF files or Word files. These include:
 - A placement test
 - Course (level-specific) Diagnostic Test
 - Unit Review Tests
 - Mid- and End-of-Term Tests
 - Final Exams
