

UNIT 5 REVIEW TEST LISTENING SCRIPT

- Frank:** Sofia! Hi, how are you?
- Sofia:** Frank! So great to see you at this conference. How are you doing?
- Frank:** Good, good. And you must be ...
- Sofia:** Frank, this is my new research assistant Mia.
- Mia:** Hello, Dr. Vandenberg. It's a pleasure to meet you.
- Frank:** Ah, so this is the new assistant, I heard you're doing some great work!
- Mia:** Well, I'm really enjoying it so far.
- Sofia:** Yes, she's doing really well. So how are you enjoying the conference so far Frank?
- Frank:** Oh, you know ... the usual. But I have some free time tomorrow morning to explore the city and then I'm giving a presentation in the main hall tomorrow afternoon at 5:00. You should both come if you're free.
- Sofia:** Mia, you have our schedule. Are we going to be free tomorrow at 5:00?
- Mia:** We'll be meeting with the ZenCo representative at that time. The meeting is from 4:30 until 5:30. Shall I try to reschedule it?
- Sofia:** I don't think he's going to be able to reschedule. He'll only be staying here until 6:00.
- Frank:** Ah, well perhaps we can meet at dinner tomorrow? Which table will you be sitting at?
- Sofia:** We're not sure, we haven't got our tickets yet. How about you?
- Frank:** I'll be sitting at the Trans-Corp table – I work for them now. Anyway, I think some of the guests are not going to come, so there will probably be some free seats. I'll reserve two of the seats for you and Mia.
- Sofia:** Really? That would be great! What time does the dinner start?
- Frank:** It starts at 7:00. But we will be waiting in the lounge bar from 6:30. There's going to be a jazz band playing there and I hear the cocktails are very good.

Sofia: Haha, OK. We'll come and find you in the lounge around 6:30 then.

Frank: Great! See you then.
