

UNIT 12 REVIEW TEST LISTENING SCRIPT

- Melanie:** Hi, Susan. Great to see you! Are you here on vacation, too?
- Susan:** Hey, Melanie! No, I'm here for work. But what a nice surprise to see you.
- Melanie:** Yes, it is. But you've become the type of person who's always working. Do you ever take time off any more?
- Susan:** Not very often. But I do get to travel for work a lot these days, which makes up for not having holidays.
- Melanie:** What are you doing here in Rio?
- Susan:** We're meeting with someone, who has a business here, that we're interested in investing in. Melanie, this is my colleague, Jorge Marino. He's the one I told you about, who's so good with technology.
- Melanie:** Oh, wow. Great to meet you, Jorge. I've heard a lot about you.
- Jorge:** Thanks. Good to meet you, too. So, you're here on vacation?
- Melanie:** Yeah. Rio is the place that I've always dreamt about coming to.
- Jorge:** I'm from Rio. It's a city that has so much to offer. It'll more than live up to your expectations.
- Melanie:** It already has. I'm really loving it here. But perhaps you can help me with a couple of things? This guidebook talks about a river tour which I would love to do, but I can't find the contact information. I think it's called Excursão Papagaio.
- Jorge:** I've never heard of it, but I know someone whose husband owns a tour company. You could contact him.
- Melanie:** Could you give me his number?
- Jorge:** No, I'm afraid not. He's the type of person that doesn't like to speak on the phone. But here's his web address that has all the information.
- Melanie:** Thanks. There's just one other thing. Can you recommend a good shoe store? I absolutely have to buy myself some Brazilian sandals while I'm here.

Jorge: Sure, I can. I know just the place. There's a great shop near the main plaza where a friend of mine works. All their sandals are handmade. Carlos, who is there most of the time, may even give you a discount if you say I sent you.

Susan: I'm coming, too! What's the address, Jorge? Do we have time to go there before this meeting?

Jorge: No, we don't. Actually we have to get going right now. We can do things tomorrow.

Susan: OK. But, Melanie, let's meet tomorrow for breakfast at our hotel which isn't far from the main plaza. Then afterwards we can go shopping together. I'll text you the address later. See you then.

Melanie: Sounds good. Hope the interview goes well. Bye, and thanks a lot Jorge.

Jorge: You're welcome, Melanie. Enjoy yourself.
