

NAME _____ DATE _____

Unit 12 PRETEST**PART 1**

Choose the words from the word box to complete the paragraph.

that has	that include	that use	which is	which resulted	which works
----------	--------------	----------	----------	----------------	-------------

New Zealand is a small country **(1)** _____ geographic, political, economic, and cultural features that make it unique. The two islands of New Zealand, **(2)** _____ from volcanic activity in the South Pacific Ocean, have lush farmland and beautiful landscapes. Despite its relatively small size, New Zealand has established its own position in global affairs. For example, New Zealand doesn't allow any ships that carry nuclear weapons to visit its ports. Ships **(3)** _____ nuclear energy are not welcome either. In addition, New Zealand has been a strong advocate of the United Nations, **(4)** _____ an organization that tries to resolve conflicts around the world. New Zealand also supports the World Trade Organization, **(5)** _____ to break down international trade barriers. New Zealand exports many agricultural products **(6)** _____ milk, lamb, and beef.

PART 2

Choose the correct answer to complete the paragraph.

The international interests of New Zealand have resulted in a multi-ethnic society that consists of immigrants from Asia, the South Pacific, and southern and eastern Europe. This is a change from the early years of New Zealand's history where a large number of immigrants from England, Scotland, and Ireland joined the indigenous population of the Maori people. New Zealand's blend of different populations creates a unique island nation **(1) that is / whom mostly live / that mostly live** interesting and full of life. The people, **(2) which mostly live / whom mostly live / who mostly live** on the South Island, mainly depend on agriculture as a way of life.

New Zealand also has many interesting geographical features **(3) that make / in which make / , that make** it a great place to visit. The North Island has many mountains **(4) which make / that it makes / where make** it

NAME _____ DATE _____

beautiful at sunrise. On the South Island, natural hot springs **(5) who provide / that provide / where provide** relaxing vacation spots are everywhere. There are many hotels **(6) in which allow / that allow / where allow** access to the springs, and tourists **(7) with whom visit / whom visit / who visit** can relax in their healing waters. Other features include many rivers and lakes **(8) where contain / that contain / in which contain** clean, clear water. New Zealand's forests, **(9) which have / that have / where have** many unique trees and plants, are one of a kind.
