

NAME _____ DATE _____

Unit 5 PRETEST**PART 1****Choose the correct words to complete the paragraph.**

Technology is improving all the time and changing our lives as a result. In the future, how (1) **will you be communicating / will you communicating / will be you communicating**? How (2) **will you traveling / will you travel / you going to travel** and work? How (3) **will you be seeing / are you going to be seeing / are you going to see** society change as a result? A typical day in the future (4) **will be going / will be go / will be** something like this: While you're sleeping, you (5) **be learning / 'll be learning / 'll learn** through a miniature computer in your brain. You (6) **'ll riding / 'll ride / 're going ride** to work in a flying car. But you (7) **no will be driving / won't driving / won't be driving**; the car will drive itself. When you come home, your robot (8) **will prepares / is going preparing / will prepare** a delicious meal for you. You (9) **will living / are living / will be living** with about 10 billion people on the Earth, but you (10) **will breathing / will be breathing / will be breathe** cleaner air. You (11) **will be going to experience / are experiencing / are going to experience** 80 percent less stress during your life than people do today, and you (12) **won't get sick / no will get sick / won't getting sick** at all. You (13) **will never feeling / will never be feeling / will never feel** lonely with all the technological improvements in communication. These are just some of the ways technology will change the future. This is only half of what is possible!

PART 2**Use future or future progressive forms of the words in parentheses to complete the dialogue. Use contractions if possible.**

Ming: Carl, today's Monday, and our book report and presentation are due on Thursday. That day (1) _____ **(is)** here before we know it! Let's plan what we (2) _____ **(do)**.

Carl: I think I (3) _____ **(check out)** the book we need from the library later today. I (4) _____ **(read)** the first half tonight, and tomorrow, I (5) _____ **(write)** a summary of those chapters.

Ming: Great! Meanwhile, I (6) _____ **(look for)** reviews about the book on the Internet, and I (7) _____ **(summarize)** some of the main points. Tomorrow, I (8) _____ **(give)** you what I've written and start reading the second half of the book. If all goes according to the plan, at this time on Wednesday night, we (9) _____ **(practice)** our presentation.

NAME _____ DATE _____

Carl: And at this time on Thursday we **(10)** _____ **(present)** in front of class! I'm glad that we **(11)** _____ **(practice)** before our presentation! We'll be prepared!
