PRETEST: UNIT 3**PART 1****Choose the correct phrase to complete the passage.**

Erin Henderson has been creating music since she was five. Although her name may be unfamiliar to you, people around the world recognize her voice. She has released seven albums, and she **(1) released / will release / is releasing** her eighth album, Family of Man, next week. She **(2) is planning / was planning / will be planning** to record her entire new album in a studio, but in the end, she recorded most of the songs in an empty swimming pool. As you **(3) listen / 'll listen / listened** to the album, you **(4) hear / heard / 'll hear** birds in the background, and, in one song, a plane is flying overhead. Some of the songs **(5) made / will make / will making** you dance, while others **(6) will relax / will be relaxed / will be relaxing** you.

Before she started work on Family of Man, Henderson had taken some time off from songwriting to travel to the Far East. Her travels changed her mindset and have influenced her music for the better. As you listen to Family of Man, you **(7) realize / 'll realize / are realizing** how many changes she has made in her style. She used to rely heavily on instrumentation in her music. Now, she uses fewer instruments, which focuses the listener on her voice. I believe this album **(8) is becoming / is going to becoming / is going to become** her most popular work ever.

PART 2**Choose the correct words to complete the conversation.**

Radio Station DJ: Hi, I'm calling to check on when **(1) will you sending / you'll be sending / you going to sending** the new Erin Henderson CD. We've been waiting for weeks.

Record Company Clerk: Let me check. Oh, I see there was a shipping error. That CD **(2) going / is going / will goes** out in tomorrow's shipments. As long as it **(3) goes / will go / is going to go** out tomorrow morning, **(4) you'll have / you go have / you going to have** it by the end of the week.

Radio Station DJ: Could you put it in priority mail? We already reviewed the CD and our listeners are getting impatient. We **(5) will to / are go to / are going to** have some angry listeners if we **(6) don't play / won't play / are going to play** that new album soon.

Record Company Clerk: Sure I can do that. With priority mail, it **(7) will be / is being / going to be** there in two days.
