Great burgers!

I really like this restaurant because it has all the food I like. The burgers are delicious and not very expensive. The chicken noodles are also very good, but the pasta is terrible because it isn't an Italian restaurant. There are a lot of people there on weekends so it's good to arrive early.

Example answer

Hi John,

How are you? Thanks for your email. You asked me about my summer.

Well, every year we have a family barbecue at my parents' house. Everyone comes – my brothers, sisters, uncles, aunts, cousins and grandparents. We all bring something to cook. My uncle is a chef so I like eating his food. It's amazing! We start at about two o'clock and usually finish at about midnight. In the afternoon, we chat and eat and in the evening we play games and dance. It's a lot of fun! Maybe you can come next year!

Write soon,

Emilio

On Friday

Jane rode the bus home from work. She sat next to an old lady and they started to chat. After a few minutes, she noticed the lady's ring. It was like her grandmother's so she asked her where she got it. The lady was surprised because she got it from her old school. Then she asked Jane where her grandmother studied. She didn't know so she took the lady's name and number. Later, Jane asked her grandmother. She was so happy because the lady was a school friend but she had last seen her 50 years ago!
