*Little Friends* is a course for young children who do not yet read or write. It can be used on its own or as a starter level to *First Friends*.

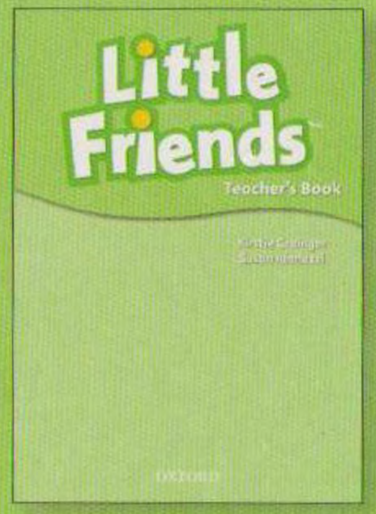

*Little Friends* develops vocabulary, introduces English sounds through phonics, and teaches numbers. It provides children with a solid foundation of pre-reading and pre-writing skills, and fosters a positive attitude to learning English through its use of engaging characters and enjoyable, age-appropriate activities.

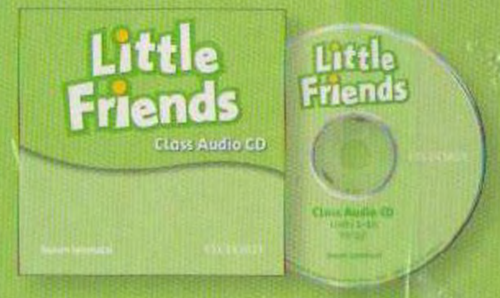

*First Friends* is a two-year beginner's course that further develops children's English language skills. Children can continue to learn and grow along with the characters they have met in *Little Friends*.
