Monkeying Around

Audio CD Section 4: Expanded Story

(Page 2) Blue Bird and Red Robin are friends. They are birds. They are in the woods. They hear a noise in a bush. The friends look at the bush. **What is in the bush?** The bush is moving. Can you see Blue Bird and Red Robin? Can you see the bush? What color is the bush?
(Page 4) They can see something in the bush. **"What is it?"** asks Red Robin. **"It is a nose,"** says Blue Bird. **"What are they?"** asks Red Robin. **"They are ears,"** says Blue Bird. They don't know what is in the bush! Can you see a nose? Can you see two ears? Do you know what is in the bush?
(Page 6) Blue Bird hops onto a rock. **"What is it?"** asks Red Robin. **"It is a mouth,"** says Blue Bird. **"What are they?"** asks Red Robin. **"They are eyes."** The friends look at the mouth and the eyes in the bush. Can you see a mouth? Can you see eyes? Do you know what is in the bush?
(Page 8) Red Robin hops onto the rock, too. They look at the bush. **"What are they?"** asks Red Robin. **"They are hands",** says Blue Bird. **"What are they?"** asks Red Robin. **"They are feet"**. Freddie the frog comes along. He looks at the bush. It's moving! Freddie can see eyes and a nose. He can also see hands and feet. Can you see hands and feet in the bush?
(Page 10) The bush is moving again. **"What is it?"** asks Red Robin. Blue Bird flies to the top of the bush. **"It is a body,"** he says. **"What are they?"** asks Red Robin. **"They are legs,"** says Blue Bird. Freddie the frog hops away. Can a bush have hands and feet? Can a bush have two legs and a body?
(Page 12) Red Robin flies to the top of the bush, too. **"What is it?"** asks Red Robin. **"It is a tail,"** says Blue Bird. The tail is long and brown. **"What are they?"** asks Red Robin. **"They are arms,"** says Blue Bird. Can you see a tail? Can you see arms? Do you know what is in the bush?
(Page 14) Freddie the frog comes back with his friend. Suddenly, the bush moves. **"What is it?"** asks Red Robin. **"It is a monkey,"** says Blue Bird. The birds get a big fright and fly away. The monkey jumps out of the bush. He likes monkeying around. He is a very funny monkey.
