

11.1 *In your opinion*

Aim: Practice sharing opinions using vocabulary from Unit 11, Lesson A

Preparation: Make one copy of Worksheet 11.1 for every two Ss. Cut as indicated.

Comment: Use after the vocabulary on page 89.

- Ss work in pairs. Give the top half of the handout (*Student A*) to one S, and the bottom half (*Student B*) to the other S.
- Tell Ss to work with their partners to ask and answer questions using the sentences on their sheets. Have them write their partner's answers in the right-hand column.
- Model the task with one S. Write his or her answers on the board, demonstrating how to take notes.

T: Who is a well-educated person you know?

S: My father.

T: In what ways is he well-educated?

- First, give Ss time to think of the questions to ask. Then go around the class and help as needed, noting any common errors but not correcting Ss at this stage. Allow enough time for Ss to answer all the questions.
- When Ss have finished, have an error correction session. Write common errors on the board and have Ss correct them.
