

This test is designed to help you quickly and accurately decide which level of **Prepare Second Edition** is best for each of your students.

There are ten questions for each level of the course from **Prepare** Level 2 to **Prepare** Level 9 in the Placement Test. These questions test the grammar and vocabulary that appear in the Student's Book of each level.

Questions 1–10 correspond to **Prepare** Level 2

Questions 11–20 correspond to **Prepare** Level 3

Questions 21–30 correspond to **Prepare** Level 4

Questions 31–40 correspond to **Prepare** Level 5

Questions 41–50 correspond to **Prepare** Level 6

Questions 51–60 correspond to **Prepare** Level 7

Questions 61–70 correspond to **Prepare** Level 8

Questions 71–80 correspond to **Prepare** Level 9

Placement using the answer key

Initially, mark the first 40 questions on the student's answer sheet using the answer key.

If the student scores less than 35 out of 40, stop marking and place the student according to the table below.

If the student scores 35 out of 40 or higher, continue marking the rest of the answer sheet and place the student according to the table below.

Score	Placement
0–9	Prepare Level 1
10–18	Prepare Level 2
19–27	Prepare Level 3
28–36	Prepare Level 4
37–45	Prepare Level 5
46–54	Prepare Level 6
55–63	Prepare Level 7
64–72	Prepare Level 8
73–80	Prepare Level 9

Placement using the marking overlay

Photocopy or print the marking overlay onto transparency film and place it over the student's answer sheet so that the two grids align. The black-shaded boxes on the overlay indicate correct answers. An uncovered 'X' mark on the student's answer sheet indicates that the student has answered the question incorrectly.

You should place the student at the level where he or she starts to frequently make mistakes.
